

Honorable Val B. Peterson  
Federal Civil Defense Administrator  
Battle Creek, Michigan

My Dear Mr. Peterson:

Confirming recent conversations between members of your staff and Dr. James S. Grant of the American Red Cross, this Agency offers the Federal Civil Defense Administration the following lots of blood plasma:

Donated Plasma, 500 cc, expiration dates ranging from August 1955 to June 1956 - 703 packages.

Commercial Plasma, 500 cc, (Sharpe & Dohme), expiration dates January and February 1956 - 47 packages

Commercial Plasma, 250 cc (Cutter), expiration dates in January 1956 - 6 packages

The above lots of plasma are offered to the Federal Civil Defense Administration on a nonreimbursable basis with the understanding that it may be used for refractionation into Gamma Globulin.
